

## Facts & figures

**quantilope** is a global Agile Insights Platform that brings the power of automation, speed and scientific rigor to your team. With quantilope you can launch higher performing products and services in a fraction of the time with lower costs. The highly innovative, award-winning all-in-one software makes it easier for companies to put their customers' and consumers' relevant needs center stage in all that they do. quantilope offers intelligent, automated tools based on the latest quantitative market research methods combined with machine learning and AI. This allows companies to easily understand their customers' requirements in real time.

Developed in 2014 by internationally renowned scientists and experts from the fields of market research, marketing, data science and IT, quantilope has been impressing well-known companies, agencies and institutes ever since.
